

## ALIVE + WELL

Entrepreneurship program where young, Black men can learn about controlling finances, building a business, and mastering marketing and branding. Contact Shawn "GEE" Goburn at [www.srgmf.com](http://www.srgmf.com)

## Are you between the ages of 14-20?

## PATHSTONE

Mentorship programs for high school students ages 14 - 17 that pushes highschoolers to graduate and support them in the barriers they face. Pathstone connects companies with people who are prepared to work and have skills and abilities to do so.

Contact Cece Snyder at (585) - 270 - 9435 or Liz Payne at (585) - 537 - 0958

## SUMMER OF OPPORTUNITY PROGRAM

The Summer Of Opportunity Program allows youth ages 14 - 20 to gain a paid summer internship. The program offers many diverse experiences and jobs. Applications will reopen in February, 2024. In the meantime, visit [rocsummeryouth.com](http://rocsummeryouth.com) to learn more.

If you are not a city of Rochester resident, but live in Monroe County, explore the Rochester Works, Summer Youth Employment Program (SYEP) at [rocsummeryouth.com](http://rocsummeryouth.com)

## REL8ED TO ANALYTICS ROBOT TRAINING ACADEMY

Robot Training Academy is a no cost program that allows youth to gain first-hand exposure to a day in the life of a data scientist. The Academy will teach technical and analytical skills through individual projects, group work and interaction with data science experts.

For more information and to enroll visit <https://www.rel8ed.to/robot-training-academy/>
