

Jennifer M. Snyder
Financial Advisor
Brighton Securities

Jennifer derives immense satisfaction from assisting individuals in comprehending their financial possibilities and developing strategic plans for the growth of their financial portfolios. She employs a personalized and objective-based approach that considers each person's unique needs as the foundation. With over 15 years of management experience, Jennifer understands the value of being inquisitive about her clients' distinct requirements to enhance their overall well-being.

Jennifer's foremost objective is to safeguard her clients' wealth by utilizing asset allocation, fostering growth and income generation, and implementing risk management strategies. She firmly believes that actively listening to her clients and imparting valuable information empowers them to make well-informed decisions. Jennifer is fully committed to the holistic financial health of all her clients and takes pride in ensuring they can sleep soundly, secure in the knowledge that their future needs, including retirement, will be adequately provided for.

In addition to her financial expertise, Jennifer is a seasoned musical performer who has participated in various large-scale festivals across the Northeast region. Currently residing in West Irondequoit with her two sons, Easton and Caleb, Jennifer enjoys engaging in outdoor activities such as biking, swimming, and competitive games of badminton. Her deep passion for music often leads her to attend local and international festivals and other outdoor events.
