Emily Hill

Dear Emily,

Thank you for your donation of 50 Thanksgiving Day baskets for The Center for Youth. Your support inspires us to care and advocate for youth in need of safety; babies and families in crisis; and children facing some of the greatest challenges in our community.

The Center for Youth celebrated fifty years of service to young people in 2021, and we continue to place the greatest value on the health and safety of our young people, our community and our friends & supporters. And through this national crisis we remain steadfast in our commitment to serving young people. Our doors remain safely opened and services operate without interruption.

With support from individuals like you, we are able to honor our commitment to young people and families. And as their needs grow and change, so do our services. But the guiding principles of The Center for Youth remain consistent: we envision a world where all youth grow and thrive in an equitable and beloved community.

Thank you for your belief in our work, but more importantly, your belief in our young people. Your commitment ensures that we are able to realize the full potential of young people by creating opportunities, removing barriers and promoting social justice for all.

Sincerely,

A handwritten signature in black ink that reads "Elaine".
