ABOUT

Please join us on Tuesday June 20, 2023 at 9:00 AM at the Woodcliff Hotel for a seminar on the Crucial Role of Labor in Construction Delivery. Learn about the new groundbreaking IPA Productivity Study on craft labor trends in construction and related industry developments.

Conducted by world renown industry experts, this report provides extensive data showing union construction projects are delivered at lower costs and with significantly less risk of schedule delays and cost overruns.

The program will feature a networking breakfast, an overview of the study's highlights and a panel discussion by industry stakeholders. **Please click the button below to register.**
