### Veterans Connect Relocation Weekend Showcases the Best of #GreaterROC to Over 20 Transitioning Soldiers

This past weekend, Veterans Connect, a Greater Rochester Chamber program, hosted over 20 transitioning Soldiers and their families for a relocation overnight experience to showcase all of the amazing reasons to live, work, and play in #GreaterROC as veterans. These Soldiers hail from Fort Drum near Watertown, NY, are transitioning out of active duty service in the next year and are looking to find a new place to call home.

These Soldiers had the opportunity to connect with employers including the University of Rochester Medical Center, Rochester Institute of Technology, Bravery Wines, LeChase Construction, Orolia Defense & Security, JP Morgan Chase, and Wegmans through various networking opportunities and presentations. Guests were also treated to fun ways to see the city and surrounding suburbs with an interactive bus tour, pedal tour through downtown, aerial ropes courses in Canandaigua, and more.

The Veterans Connect program focuses on linking transitioning Soldiers to employment, housing, and related services in Greater Rochester through a sustained effort that emphasizes employer engagement connectivity, relocation support, and family assistance. We are proud to serve those who served us by directly connecting them to employers and job opportunities immediately as they transition from active duty to civilian life.
