Testimonials

"The many event series hosted by Rochester Chamber have been a great experience for me both professionally and personally. My coworkers and I have brought back ideas and information from Rochester Chamber events that improve the way we do business and I find it very interesting to get to know others in my community. Networking with people beyond one's own industry feeds creativity. I value that very much and appreciate that, as a Rochester Chamber member, I can take advantage of most of these events for free."

-Hannah Barry
Online Marketing Specialist, Rochester Museum & Science Center

"Rochester Chamber through its various networks was successful at helping us get the attention of a federal agency on a matter that had gone unresolved for almost ten months. The financial implications to the college had they not stepped in on our behalf would have negatively impacted our ability to support our adult student population. Rochester Chamber staff members were great listeners, easy to work with, and followed through 100%."

-Mark Petrie
Vice President for Enrollment Management & Student Development, Keuka College

"Like many businesses, we are growing—but we're not without challenges. We joined Rochester Chamber to help us navigate. Specifically, we were looking for professional training, connections in the community, and HR support. Our membership has paid for itself many times over. We especially depend upon the HR helpline for support with complex employee issues, wage research, NYS Labor Laws, and more. Making the Top 100 list two years in a row and winning Buffalo Bills tickets was icing on the cake. We're a stronger company and a better employer thanks to Rochester Chamber."

-Jennifer Young
General Manager, Pioneer Millworks/New Energy Works of Rochester

"Rochester Chamber serves our ever-changing business needs well. We are fortunate to have an onsite staffing coordinator to ensure our temporary staffing needs are met and continuously supported. They are very flexible in helping us ramp up quickly for production swings, engaging all the resources of the RBA Staffing team when necessary. Rochester Chamber connects us, advocates for us, supports us, and changes with us year after year."

-Karen Whitbeck
Executive Director Human Resources & Public Relations, Unither Manufacturing LLC

"I have actively participated and benefited from my Rochester Chamber membership. The leadership is great and responds quickly when I reach out via email or by phone. I had to deal with the city on a big business problem and Rochester Chamber reached out to the appropriate contacts on my behalf and was able to get what I needed done. For that I am forever grateful and would recommend you consider joining for a wide array of reasons. I have taken a lot from my membership and consider it worth every penny."
