Tap Into College at Brockport Talent

At The College at Brockport, State University of New York, we like to say that we educate Rochester's workforce. The proof is in the numbers. We confer 25 percent of all baccalaureate degrees in Greater Rochester. More importantly, most stay here after graduation.

Next year's batch of graduates is already primed to join the ranks of Brockport alumni in the Rochester workforce. You are invited to join us at the 2016 Jobs and Internships Fair to be held March 2, 2016 from noon until 4 p.m. on the Brockport campus.

To register for the 2016 Jobs and Internships Fair and learn more about recruiting Brockport students and graduates, visit our website at www.brockport.edu/career
