LEADERSHIP FOR MANAGERS

5 sessions of 4 hours each

This is a broad-spectrum leadership course for senior leaders, managers, supervisors, group leaders and high potential professionals. The topics and training create a much higher caliber of leader.

The course is experiential and lively, including humorous stories, role playing examples, magic illusions, videos, and other ways to make the information memorable for the participants. Have fun while you learn vital skills.

This course can also be customized for family groups. Leadership teams can select topics for emphasis, and all content can be put in terms of the specific industry or location. The program is flexible in terms of time needed and content covered. The standard course is presented in five sessions from 8:30-12:30 on five consecutive Friday mornings.

Facilitator - Bob Whipple:

International expert on Building Trust in organizations. Lifetime Achievement Award Winner as Top Thought Leadership in Trust by Trust Across America: Trust Around the World. Named BEST Consultant by CNY ATD. Author of four books on trust and over 700 articles and videos on trust and leadership.
